History of recurrent eye or tear duct infections _____

History of dry eyes or Sjorgen's Syndrome _____

Recent history of Chemotherapy _____

Other medical conditions which would prohibit or compromise the process and retention of this eyelash perm _____

I agree to the following eyelash perm post-op and maintenance instructions:

No water can come in contact with the eye area for 24-48 hours after the application.

This agreement will remain in effect for this procedure and all future procedures conducted by my technician.

I read English and understand that this consent agreement is legal and binding. I have read and fully understand all information in this agreement.

I release my technician, Earth Glow LLC, and Phenix Salons + Suites from all liability associated with this procedure, which is performed with the utmost attention to safety and proper application using tools and products that the technician has been professionally trained to use.

There are no guarantees for length of time the lashes will stay permed. I understand the aftercare instructions and will do my part to maintain my eyelashes. I understand that there are many factors that may affect the life of the eyelash lift such as water and moisture contact, weather conditions, and activities involving exposure to high temperatures.
