Eyelash Lift (/Tint) Aftercare

The aftercare recommendations given are to ensure you fully understand what can be done to maintain the longevity of the eyelash lift (/tint) results, up to 48 hours post treatment.

- Keep lashes dry for 24-48 hours.
- Do not apply any make-up or receive any other eye treatment for at least 24-48 hours after your treatment.
- Avoid rubbing the eyes.
- Avoid putting contact lenses back in for 24-48 hours.
- Avoid swimming/sauna/sweating for 24-48 hours.
- Comb the lashes using a dry mascara wand.
- If any stinging or swelling occurs, keep applying a cold dampened cotton pad or cold compress. If it persists seek medical advice.

If the aftercare guidelines are followed with utmost care, the results can last upwards of 6 weeks !
